### **How long will my house purchase take?**

How long it will take from your offer being accepted until you can move in to your house will depend on a number of factors. The average process takes between 6-8 weeks.

It can be quicker or slower, depending on the parties in the chain. For example, if you are a first time buyer, purchasing a new build property with a mortgage in principle, it could take 12 weeks.

### **Stages of the process**

The precise stages involved in the purchase of a residential property vary according to the circumstances. However, below we have suggested some key stages:

- Take your instructions and give you initial advice
- Receive contract documents
- Carry out searches
- Make any necessary enquiries of seller's solicitor
